## A BIZOTTSÁG (EU) 2019/701 HATÁROZATA

(2019. április 5.)

**a kozmetikai termékek címkézésénél használt összetevők közhasználatú neveit tartalmazó glosszárrium létrehozásáról**

(EGT-vonatkozású szöveg)

AZ EURÓPAI BIZOTTSÁG,

tekintettel az Európai Unió működéséről szóló szerződésre,

tekintettel a kozmetikai termékekről szóló, 2009. november 30-i 1223/2009/EK európai parlamenti és tanácsi rendeletre <sup>(1)</sup> és különösen annak 33. cikke első bekezdésére,

mivel:

- (1) Az 1223/2009/EK rendelet 19. cikke (1) bekezdésének g) pontja előírja, hogy a kozmetikai termékek címkéjén feltüntetendő információk között szerepelnie kell az összetevők felsorolásának. Az összetevőket a fenti rendelet 33. cikke értelmében a Bizottság által összeállított és naprakészen tartott glosszárriumában szereplő közhasználatú neveknek megfelelően kell feltüntetni. A glosszárriumnak figyelembe kell vennie a nemzetközileg elfogadott nevezéktanokat, beleértve a Kozmetikai Összetevők Nemzetközi Nevezéktanát (INCI).
- (2) Az 1223/2009/EK rendelet hatályon kívül helyezte a 76/768/EGK tanácsi irányelvet <sup>(2)</sup> és annak helyébe lépett. A kozmetikai termékekben alkalmazott összetevőknek a fenti irányelv 5a. cikkében említett nevezéktanát és az említett irányelv 7. cikkének (2) bekezdésében említett egységes nevezéktanát a 96/335/EK bizottsági határozat <sup>(3)</sup> hozta létre, és 2006-ban a 2006/257/EK bizottsági határozat <sup>(4)</sup> tette naprakésszé. A nevezéktan azóta elavult az évente forgalomba hozott új összetevők nagy száma miatt. Továbbá a 76/768/EGK irányelv 5a. cikkében a nevezéktan tartalmára vonatkozóan meghatározott követelmények túlmutatnak az 1223/2009/EK rendelet 33. cikkében a közhasználatú nevek glosszárriumának tartalmára vonatkozóan meghatározott követelményeken. Ezért a 96/335/EK határozatban szereplő összetevők listáját fel kell váltani és úgy kell kiigazítani, hogy az tartalmazza a forgalomba hozott új összetevőket és tartalma az 1223/2009/EK rendelet 33. cikkében előírt követelményekre korlátozódjon.
- (3) Az 1223/2009/EK rendelet 19. cikkének (1) bekezdése előírja, hogy a kozmetikai termékek címkézésénél – a hajszínezésre használt színezékek kivételével, a színezékeknel adott esetben a CI (színindexszám) nomenklatúra használandó. Ezért a hajszínezésre használt színezékek kivételével, a színezékeknel a színindexszámot kell feltüntetni az összetevők közhasználatú neveként.
- (4) Az illat- és aromakompozíciókban használt egyes összetevők nem rendelkeznek INCI-névvvel. Az ezen összetevőket tartalmazó kozmetikai termékek jelölésére úgynevezett „illatanyagveveket” használnak az Unióban. Ezért ezen összetevők esetében az Unióban eddig használatos illatanyagveveket kell felsorolni a glosszárriumban.

<sup>(1)</sup> HL L 342., 2009.12.22., 59. o.

<sup>(2)</sup> A Tanács 76/768/EGK irányelve (1976. július 27.) a kozmetikai termékekre vonatkozó tagállami jogszabályok közelítéséről (HL L 262., 1976.9.27., 169. o.).

<sup>(3)</sup> A Bizottság 96/335/EK határozata (1996. május 8.) a kozmetikai termékekben alkalmazott kémiai összetevők nevezéktanának meghatározásáról (HL L 132., 1996.6.1., 1. o.).

<sup>(4)</sup> A Bizottság 2006/257/EK határozata (2006. február 9.) a Bizottságnak a kozmetikai termékekben alkalmazott kémiai összetevők nevezéktanának meghatározásáról szóló 96/335/EK határozatának módosításáról (HL L 97., 2006.4.5., 1. o.).

- (5) Az 1223/2009/EK rendelet 33. cikk második bekezdése úgy rendelkezik, hogy a forgalomba hozott kozmetikai termékek címkézésére az összetevők glosszáriumában felsorolt közhasználatú nevét kell alkalmazni, legkésőbb tizenkét hónappal a glosszáriumnak az *Európai Unió Hivatalos Lapjában* való közzétételét követően.
- (6) Az egyértelműség és a jogbiztonság érdekében a 96/335/EK határozatot hatályon kívül kell helyezni.

ELFOGADTA EZT A HATÁROZATOT:

*1. cikk*

Az 1223/2009/EK rendelet 33. cikkében előírt, az összetevők közhasználatú neveit tartalmazó glosszáriumot e határozat melléklete tartalmazza.

*2. cikk*

A 96/335/EK határozat hatályát veszti 2020. május 8-tól.

*3. cikk*

Ez a határozat az *Európai Unió Hivatalos Lapjában* való kihirdetését követő huszadik napon lép hatályba.
